Experience the American Revolution as it unfolded on Vermont's Lake Champlain!

Caleb's father is serving with Ethan Allen's Green Mountain Boys as the long-anticipated open war against the British rages up and down the length of Lake Champlain. Between his duties on the family farm and constant worry about his father's safety, the young man's attentions are already fully occupied when a fateful encounter with an unlikely neighbor changes everything. Pulled into new intrigues and new friendships, Caleb finds himself on a path that changes his life - and which will affect the outcome of the whole war.
